

Year-Round Internship Projects

Hospitality/Tourism

Hospitality/Tourism Internship

Great hands on experience for students in the field of study of Hospitality and Tourism Management. The student will work closely with our Vice President of Hospitality in creating relationships with corporations, alumni associations, tour operators and social organizations to encourage them to utilize all of ArtsQuest's unique facilities, including the Banana Factory, SteelStacks, Christkindlmarkt, Oktoberfest and Musikfest venues. The student will also coordinate other food, beverage and tourism promotions and events.

Excellent communication, customer service and computer skills a must!
