ArtsQuest 2018 Report to the Community

LETTER FROM THE *President*

35 and Counting!

From start to finish, ArtsQuest's 35th year was memorable for many reasons.

For starters, we added new comedy, arts, cinema and education programming to meet the needs of our growing community. To this end, we worked with 10 new schools and school districts last year, as well as added new programs via partnerships with community-focused nonprofits like Valley Youth House, Wildlands Conservancy, Women Veterans Empowered & Thriving and the Holocaust Awareness Museum & Education Center of Philadelphia.

In August, close to one million people visited Bethlehem as we celebrated our 35th year of Musikfest, the nation's largest free music festival. And, as the year drew to a close, we finished on a high note thanks to a record-setting Christkindlmarkt and a successful PEEPSFEST®. Plus, we took the first steps toward the development of a new cultural center at the site of the Banana Factory.

Overall we now:

IN ECONOMIC

THROUGH THE
ARTS

One of the things that we've heard is that Musikfest and the programming at SteelStacks and the Banana Factory are important in helping to attract and retain talented workers. A big focus in today's economy is hiring the creative employees needed to develop a strong 21st century workforce, and our arts and cultural programs play a key role in the recruitment and retention of some of the best and brightest individuals to our region.

The Lehigh Valley Economic Development Corporation noted the Lehigh Valley continues to grow and in 2018 was ranked 64th out of the 382 largest metropolitan areas in the country when it comes to regional economies. With your support, we remain a leader in developing innovative ways to drive economic development and workforce retention in the region.

As we embark on the next step of our evolution as an arts and cultural organization, I'm proud to have you - our many supporters and partners - at our side. For more than three decades, you've been leading the way in helping us make the Lehigh Valley a dynamic place to live, work and play. Together, we will continue to do great things as we strive to make our region one of the premier arts and cultural destinations in the nation.

Thank you for everything you do to support ArtsQuest and the arts!

ArtsQuest President and CEO

EDUCATION & OUTREACH

Benefitting Students & Community

Together, we are positively impacting our region in so many ways:

Students from underserved communities exploring glassblowing, filmmaking and more through our ArtSmart afterschool enrichment program...

Families with toddlers enjoying art-based learning through our visual literacy programs...

Teachers who work with special needs children learning new skills via in-service workshops...

Seniors remaining engaged in our community by participating in creative aging programs...

Thanks to your investment, ArtsQuest continues to enhance and expand its programs for youth and adults from underserved communities. Our biggest area of focus is providing unique educational experiences for the region's students, with a strong concentration on those individuals who often lack the resources to access high-quality art enrichment programs.

Through in-school artist residencies, workshops and award-winning programs like ArtSmart, students learn to create, experience and appreciate art while building important social, cognitive and life skills.

Led by our popular Toddler Storytime, our visual literacy programs and "stroller tours" have grown by nearly 40 percent, providing opportunities for dozens of young children and their families to learn and grow through the arts. In addition to the key roles they play in early childhood development, these programs are helping to set the stage for the development of our new community cultural center, which will feature a marked expansion of youth programming, including the creation of the Lehigh Valley's only art-based Pre-K Program.

As always, we remain committed to identifying and developing innovative arts programming for the Lehigh Valley. With your help, we continue to be a leader in arts education – not only in our region but across the country!

SOUTHSIDE ARTS DISTRICT IN APRIL.

20 Years of Public Art. When Banana Factory Resident Artist Lauren Kuhn completed a mural of a 1955 Chevy Bel Air on a Bethlehem building owned by Borko Milosev and Pietro V. Scola, the painting celebrated a major milestone by ArtsQuest – 20 years of dynamic public art in the community.

Opened in 1998, the Banana Factory has been leading public art projects since its inception. For 15 years, it partnered with the Private Industry Council/PA CareerLink on the public art and job skills program called BananaWORKS, resulting in more than 25 murals across the Lehigh Valley, including Lehigh Valley International Airport, St. Luke's University Health Network and Lehigh Valley Velodrome. Today, it continues to expand its public mural program in Bethlehem, with a focus on promoting the SouthSide Arts District.

Whether it's the Dripped on the Road mural on Third Street, or Matt Halm's "Southbound" adjacent to the Fahy Bridge, these prominent, eye-catching works are drawing visitors to check out the city's flourishing arts scene.

STEELSTACKS *THE LEHIGH VALLEY'S HOME FOR COMEDY!*

Since the opening of SteelStacks, ArtsQuest has seen tremendous growth in its comedy programming.

Over the past eight years, we've presented more than 750 different comedians ranging from Tig Notaro and Patton Oswalt to Jim Gaffigan and Jerry Seinfeld. Popular local comedians such as Tyler Rothrock and Glen Tickle have also cited SteelStacks as the place their careers took off.

Today, ArtsQuest hosts 275 live comedy shows annually, as well as offers dozens of classes and workshops in standup, improv and other forms. It may not come as a surprise, then, that 2018 ended up being a record-setting year for our comedy programming.

Overall, comedy classes and workshops have grown by 260 percent over the past six years, while comedy as a whole has enjoyed a 123-percent increase in revenue during that same time. To help meet the growing demand for this artform, we're planning to build a new, 125-person Comedy/Blackbox Theater in the new cultural center at the Banana Factory site.

The Lehigh Valley's first year-round comedy theater, the space will offer comedy classes, programming and rehearsals, providing opportunities for aspiring comedians, school groups, corporate experiences and amateur and professional comedians! IMPACTFUL ECONOMICS

Community Revitalization and Economic Development

Musikfest may be ArtsQuest's largest festival, but in recent years it's another event that has experienced the strongest growth, having a substantial impact on our organization, community and region.

Started in **1993** as a way to draw tourists to Bethlehem during the busy Christmas season, **Christkindlmarkt Bethlehem** has grown substantially since 2015, with a record **92,297** people attending in 2018. Since its inception, the event has drawn more than 1.4 million people to Bethlehem to experience everything the city has to offer during the holiday season.

Equally important, Christkindlmarkt provides opportunities for more than **200 small businesses owners** – 60 percent of whom come from the Lehigh Valley and surrounding area - with quality opportunities to support their livelihood. Plus, the festival employs 45 local musicians and groups who perform onstage to the delight of crowds.

With its **40-percent growth** in attendance since 2015, it's not surprising that Christkindlmarkt has become ArtsQuest's second '**signature**' festival, drawing guests from near and far, while ranking among the top holiday destinations in the nation according to media outlets such as **Forbes**, **USA Today**, **New York Post** and **Conde Nast Traveler**.

Led by Musikfest and Christkindlmarkt, ArtsQuest's festivals now draw well over **one million** people to Bethlehem and the Lehigh Valley, with many guests returning throughout the year to take advantage of the city's shopping districts, quality restaurants and first-class accommodations. In recent years, other events like Oktoberfest, the Step Outdoors festival and the InVision Festival have all shown solid growth.

Since SteelStacks opened in 2011, residential property values on the SouthSide have risen by **20 percent**, with major development projects including **Five10Flats** and the **Gateway Building** on Greenway Park opening in 2018.

Thanks to your support, ArtsQuest continues to be a leader in using arts and culture for economic development and community revitalization, enhancing the quality of life in our area.

Together, we are:

- Providing opportunities for **1,200 artists** and **performers** annually
- Drawing visitors from more than **45 states** and **10 countries**
- Having an economic impact of **\$135 million** on our region

Imagine that!

THE ARTSQUEST *Foundation*

1,600 free events and classes annually!

Each year, ArtsQuest presents more than 40 percent of its programming at no cost to our community. From enriching after school educational experiences for students, to free concerts at the base of the blast furnaces, tens of thousands of people are touched by these programs annually.

The reality, however, is that each and every program comes with a cost, from paying the talented performers who entertain the crowds to hiring quality teachers to provide personalized arts instruction for hundreds of arts classes. That's why the work of the ArtsQuest Foundation is so vital.

Launched in 2003, the ArtsQuest Foundation was established to build sustainability for ArtsQuest and provide a vehicle for donors to offer long-term support for the hundreds of arts, culture and education programs we offer. The Foundation actively solicits gifts to support four different endowment funds: Musikfest and Performing Arts, Visual Arts, Education Scholarships and legacy gifts. Income earned on these funds are restricted to the specific purpose of that fund.

All gifts to ArtsQuest are important, but what make endowment gifts especially valuable is that they provide a permanent and ongoing source of income. These extraordinary legacy gifts provide long-term benefits that ensure we can provide permanent, ongoing support for our music, arts, festivals, educational and outreach programs for generations to come.

Endowment gifts can be created with payments over the course of five years, and most can be established with estate or deferred gifts. ArtsQuest's Advancement Department works directly with you to establish guidelines for your gift and ensure that your long-term philanthropic goals are achieved.

The Linny Awards

The 3rd Annual Linny Awards

For Jessica Bastidas, winning a 2018 Linny Award was the start of an exciting few months. In addition to being honored as one of the region's brightest and most talented young artists, the Bethlehem native and Lehigh Valley Charter High School for the Performing Arts graduate was also the artist behind the 2019 Musikfest poster, an honor announced during the ArtsQuest Foundation's annual Linny Awards in November.

"From learning how to blow glass, to listening to music or linking arms in the polka tent, my personal experiences at Musikfest instilled within me a fascination for the arts that has never faded," says Bastidas, now an art teacher at Mount St. Joseph High School in Baltimore. "It's such a privilege to be part of a festival that has had such a long history and continues to evolve year to year."

Bastidas, who captured the Emerging artist of the Year award, was just one of 12 individuals and organizations honored for their impact on the arts and our community during the Linny Awards.

THE

Levitt Pavilion

Building Community Through Song!

On a beautiful June evening, more than 1,500 people gathered on the lawn at the base of the Bethlehem Steel blast furnaces, led by a singer-songwriting duo from Toronto that taught the impromptu ensemble how to sing, in harmony, Leonard Cohen's iconic "Hallelujah." Thanks to Choir! Choir! Choir!, it was a night that epitomized the spirit of the Levitt Pavilion, the dynamic music venue that has welcomed more than 410,000 people to Bethlehem since opening in summer 2011.

Designed to build community through music, the mission of the Levitt Pavilion is to bring people from all walks of life together to enjoy free music under the stars, while at the same time helping to promote the communities in which they are based. In 2018, the popular outdoor amphitheater at SteelStacks welcomed a diverse array of acts including Blind Boys of Alabama, Atlanta Rhythm Section, Low Cut Connie and Sister Sparrow & the Dirty Birds, with more than 77,000 people enjoying free concerts all summer long.

The programs of the Levitt Pavilion are made possible thanks to widespread community support that includes investment by numerous donors, partners and sponsors, along with the Mortimer and Mimi Levitt Foundation. Plus, each night, the audience passes a bucket collecting donations, with every dollar contributed going directly toward the free concerts and Levitt educational programs like the Master Class Series, which pairs nationally touring artists with students from Bethlehem's SouthSide schools for special music performances.

In 2018, these programs included Funky Dawgz Brass Band doing a master class with Broughal and Nitschmann middle schools, as well as Madaila inviting campers from Valley Youth House to attend a private soundcheck and Q&A to talk about careers in music.

Other Levitt Pavilion highlights included:

- **10 free** family movie nights
- **9 'Stay Healthy'** Seminars by Coordinated Health
- The return of the Popular **Strut Your Pup** fundraiser

Celebrating the Legacy of MIMI LEVITT

In January, Annemarie "Mimi" Levitt of the Mortimer & Mimi Levitt Foundation passed away at age 97 in New York. Mimi was an iconic patron of the arts and historic preservation whose intelligence, grace and hands-on approach to philanthropy and activism were sources for positive social change across America, including here in Bethlehem with the Levitt Pavilion SteelStacks. Everyone in the ArtsQuest Family has been touched by Mimi's passion for the arts and community-her legacy of generosity and service to the causes she supported remains an inspiration to us all.

Thank You x 35

More than 1,500 volunteers annually lend a hand at Musikfest, but the 35th edition of the festival was made extra special thanks to 13 beloved individuals. During the opening ceremonies, ArtsQuest and the City of Bethlehem honored this Baker's Dozen of volunteers who have lent a hand at every Musikfest since the first one in 1984, 35 years in all!

We at ArtsQuest thank you and our many other volunteers who donate time and talent throughout the year so that 1.5 million people can enjoy high-quality, enriching music, arts and education programming.
