**ANNUAL REPORT
TO THE COMMUNITY**

LETTER FROM THE PRESIDENT

Photo credit: Ted Colegrove

In 2020, our community faced some of the most difficult times we have ever experienced. Among many industries, the arts and independent venue industry took one of the hardest hits, with organization after organization, and venue after venue, having to shut their doors, and all the memories they kept, for good.

Throughout the pandemic, something I already knew to be true was even further solidified. We would be nothing without our dedicated and loyal community and supporters. During these trying times, ArtsQuest has seen its programming evolve, adapt and overcome, but we've also seen a lot of programming canceled, festivals downsized or digitized and educational opportunities missed. This said, we would not be where we are without all of you.

Not only have our fellow community members, donors, board members and sponsors come together for generous gifts that were our lifeline, we were also so moved to see our community, our fellow lovers of the arts, music and education interacting through our social media platforms, signing up for online classes and tuning into virtual Musikfest 2020.

I'd like to specially thank the public service workers and residents of Northampton County, the City of Bethlehem, Lehigh County, the Commonwealth of Pennsylvania and our federal government for fighting tirelessly for the various emergency public sector grants we've received, to keep us afloat. As 2020 came to a close the cooperation from all sectors of government to pass one of the largest arts bill in our country's history, the Shuttered Venue Operators Grant (SVOG) just in time to ensure our survival into 2021 was instrumental and invaluable to not only our organization but to our community, from our staff to performers, artists and vendors throughout the Lehigh Valley. Additionally, we would like to thank all levels of government and the CDC for dedicating the time to work alongside us to remain up-to-date on current health and safety rules and regulations.

Lastly, and arguably most importantly, we would like to thank those who truly are the lifeblood of our organization. Our volunteers who devotedly donate their time, that is more precious now than ever, to ensure we can provide the best possible programming for our community. Our staff who have given it their all and then some to adapt and overcome through these rapidly changing times – both in and out of the office. Also, of course, a big thank you to our board members who fought alongside us every step of the way to make decisions that propelled the organization forward, and secured funding that kept us alive.

This unprecedented time has made all of us at ArtsQuest truly understand the meaning and importance of hope. While from the start, we were never fully sure we'd make it to the other side of this, hope lived within the heart of our organization that our loyal supporters kept beating. Although very difficult at times, we never gave up hope, knowing that no matter what, we would once again continue to provide all that we can for this great community, whether that is a needed dose of normalcy, or the programming we've all come to know and love that unites our community, time and time again.

Imagine that.

Thank you all and be well,

Kassie Hilgert,
ArtsQuest

DEI initiatives

In June 2020, the Performing Arts board members hosted a series of DEI-related discussions, including the trustees chair and a group of staff members. This led to the formulation of a board DEI Advisory Group.

President and CEO Kassie Hilgert held two staff Town Halls encouraging staff (full-time and part-time) to share their thoughts, feelings, comments and concerns on the state of the organization, community and nation.

CREATIVE AGING FOR OLDER ADULTS:

Creative Aging is an arts-based program designed for seniors. Specially trained ArtsQuest Teaching Artists lead programs for individuals with a wide range of both physical and cognitive abilities.

EARLY CHILDHOOD PROGRAMS:

Programs that facilitate children's social, emotional, physical and intellectual growth through arts based learning. Program areas include literacy, visual arts, music and movement. All programs are taught by professional Teaching Artists with an expertise in early childhood education.

EDUCATOR OUTREACH AND TRAINING:

Part of the larger nonprofit ArtsQuest and houses all ArtsQuest's Visual Arts and Education Programming. Provides opportunities to artists to train and become art educators.

LEVITT PAVILION MASTERCLASSES:

Professional musicians met with students from the Broughal and East Hills Middle School jazz bands for in-classroom instruction on how to play the bands' songs.

STROLLER TOURS AT THE BANANA FACTORY:

Free program that allows new parents and caregivers with babies in tow to explore art and includes a guided tour of The Banana Factory galleries.

VISITING ARTIST RESIDENCES AT AREA SCHOOLS:

Brings Banana Factory teaching artists into school for a full or half-day to lead students in a specific art-making project or lesson customized to your curriculum's needs.

NEW VIRTUAL PROGRAMS OFFERED IN 2020 ARTSMART@HOME:

An afterschool art enrichment program offered at the Banana Factory. All classes took place virtually. Classes were led by professional Teaching Artists from ArtsQuest's roster.

DIGITAL EXHIBITIONS: Exhibitions shown virtually to promote artists' work over the pandemic.

VIRTUAL TODDLER STORYTIME: Part of a new partnership between ArtsQuest's Banana Factory Arts Center and The Bethlehem Area Public Library. Led by Bethlehem Area Public Library librarians and ArtsQuest staff members, read stories for toddlers and their families virtually.

STAY CREATIVE FAMILY WORKSHOPS:

ArtsQuest Visual Arts Staff and Educators showed how to stay creative while at home. Using materials found around the house or yard, they helped people create unique works of art from the comfort of their own home.

KEEP MOVING DANCE SERIES:

Videos made by ArtsQuest Education Coordinator, Joanne Garcia, teaching salsa to help people stay active in quarantine.

ARTIST TALKS & STUDIO TOURS:

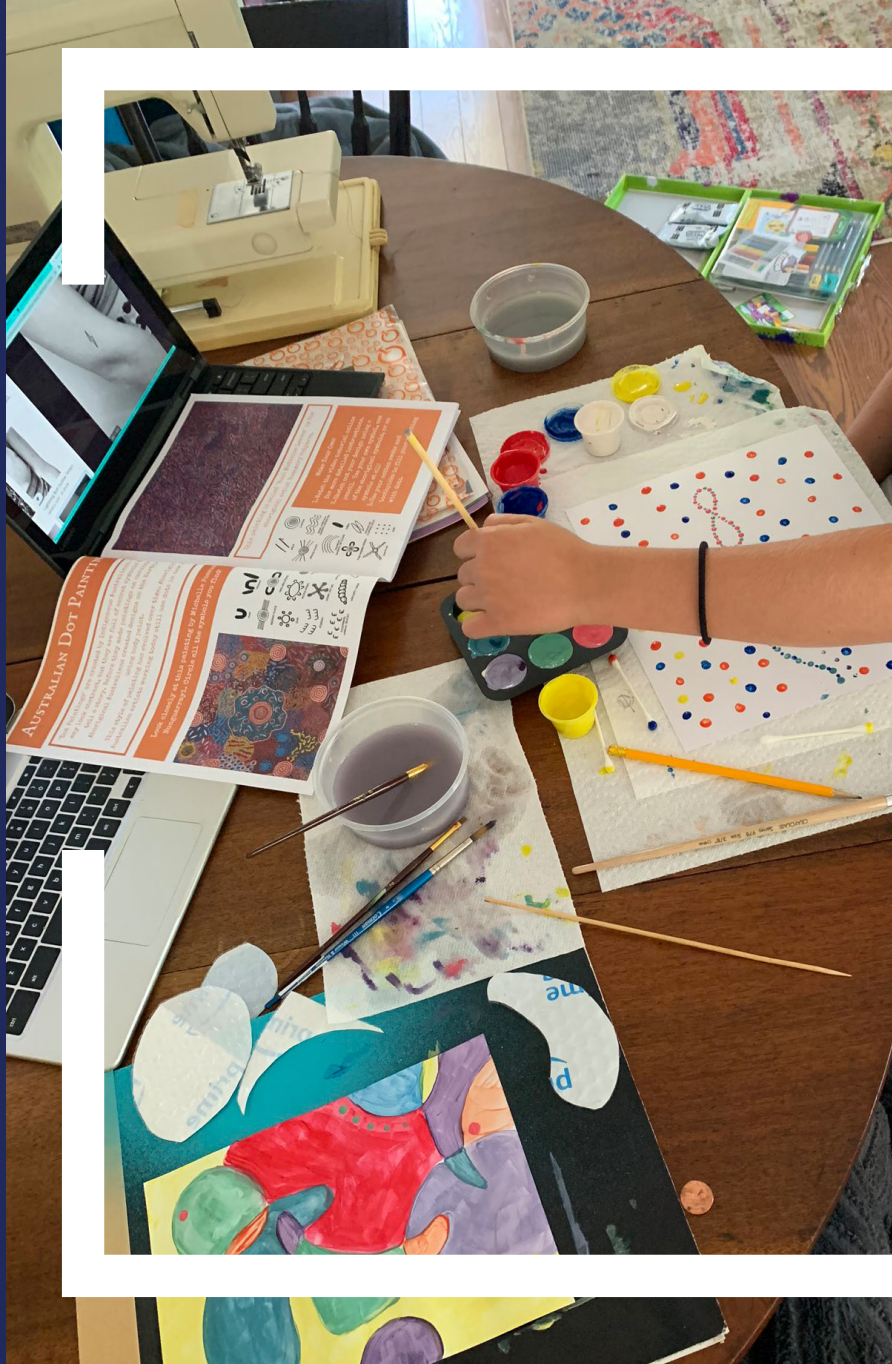

Features hundreds of artists annually in exhibitions at both the Banana Factory and the ArtsQuest Center. We invite the public into our galleries to engage in tours with these artists to learn more about their work and artistic journey. Additionally, the Banana Factory is the home to 30 Resident Artists using studio spaces to create original works of art. Many of the artists will provide studio tours and demonstrations during events for the public including First Fridays. These unique opportunities give visitors a behind-the-scenes look into the artist's creative process.

PROGRAMS

SUMMER CAMP: Held June – August in full and half-days over eight one-week sessions for children ages 4-9. Pre-Teen and Teen Art Intensives are also available for full or half-day sessions for ages 10-18. Camp is broken down into age groups with low student to teacher ratios so that each young artist is challenged with age-appropriate techniques and materials. Our youngest camp artists, ages 4-9, rotate through four different studios to explore new mediums and techniques as they create masterpieces based on a weekly theme. Designed with the young artist in mind, Pre-Teen & Teen Intensives build foundational skills by providing exploratory workshops in a variety of artistic media. Each morning or afternoon class intensive provides an opportunity for in-depth learning and experimentation in a specific medium under the guidance of a professional teaching artist.

FIRST FRIDAY: Local merchants, restaurants and galleries open their doors to celebrate the community.

TAKE HOME ART KITS: Art Kits provided by Banana Factory to encourage participants keep up their art skills and give those an opportunity to continue drawing and painting over quarantine.
