2021

ANNUAL REPORT
TO THE COMMUNITY

LETTER FROM THE PRESIDENT

Though 2021 started under the looming cloud of the pandemic, the roll out of vaccines and loosening of restrictions allowed us to become cautiously optimistic. Even as we faced the same challenges found across the country from supply chain to staff shortages, and inflation - we pushed ahead and began to plan a robust hybrid calendar of in person and virtual performing and visual arts for our deserving community. As we continued to operate largely virtually through the winter and spring months, we set our sights on the summer's brightest spot in the Lehigh Valley, Musikfest.

Bolstered by our community's support, we hosted Musikfest SuperFan Town Halls for ideas and feedback in order to build the festival! We worked on drafting a variety of plans from virtual to hybrid and going so far as to draft blueprints for a crowd controlled, fully-gated festival. It was through nothing short of a miracle that in June we received the much needed encouragement and green light from the state and City to host the festival as we had come to know and love it - live - in person and free!

During the 11-day festival I heard comments from locals and visitors alike thanking me, the ArtsQuest staff and volunteers for hosting the festival and how much everyone desperately needed a bit of comradery, normalcy and art! We worked to make Musikfest accessible in a financially stressful time by hosting \$15 Wind Creek Steel Stage acts including Jazz, Electronic, hip-hop classical fusion as well as a free Latin concert, thanks in no small part to the Shuttered Venue Operator Grant. Throughout the 'fest 1,127,000 visitors from 46 states and 11 countries, volunteers and staff shared their excitement and enjoyment to be back together on the SteelStacks campus and all across Bethlehem. We wouldn't know until we drafted our Musikfest reports that 2021 was a record breaking year, just shy of 2019 numbers, a feat that could only have happened with the support of our community, sponsors, donors and volunteers.

Our momentum and attendance continued to grow over two beautiful weekends for OktoberFest presented by Lehigh Valley International Airport (ABE), now the official PA Stein Holding Championship home. Christkindlmarkt presented by Univest Financial had record-breaking attendance due in part to the new T-Mobile sponsored Free Friday night entry. We could not have been more grateful or proud to be able to offer opportunities for families and friends to gather together and enjoy their holiday traditions while also supporting small businesses. Musikfest's economic impact alone infused \$68 million into the local economy! In this report you will read how all of the government, volunteer, staff and community support allowed us to see the pandemic as an unlikely opportunity to regroup, reorganize and refocus. We formalized an Information Technology Committee, created a DEI Advisory Council to provide equitable opportunities to community members, formalized ArtsQuest committee structure and focused on increasing our collaborations with community organizations to enhance and grow programming. In the pages of the 2021 Annual Report you will find the evidence of our re-emerging and re-engagement of what has always been our mission to provide access to the arts for all!

Imagine that.
Thank you all and be well,

Kassie Hilgert,
ArtsQuest

EDUCATION IMPACT

PROGRAMS

ArtSmart Afterschool and Summer Art Enrichment for Elementary & Middle Schools: Art enrichment programs that are interactive for elementary and middle school students, either after school or summer courses, that are taught by professional Teaching Artists either in the Banana Factory Arts Center or at your school.

EARLY CHILDHOOD PROGRAMS:

ArtsQuest is committed to engaging children with the arts at an early age. Our diverse offerings in early childhood education include classes and programs in literacy, mindfulness, music, and art-making.

LITERACY: TODDLER STORYTIME:

A free weekly program in partnership with the Bethlehem Area Public Library that encourages caregivers and their children to share stories and explore art. This program is offered in the Banana Factory galleries and combines early literacy skill development with visual literacy by connecting words with art and picture books. The program also incorporates song, movement, and art-making.

MUSIC & ART: YOU & ME MUSIC:

In You & Me Early Childhood Music classes, children ages 6 months through 5 years are encouraged to expand their natural strengths and confidence while developing new skills through music making. Each class is led by a Board-Certified Music Therapist who uses live music to gently encourage the development of social, emotional, and communication skills. The classes create a fun, musical environment that nurtures each child's creativity and artistic potential through, movement, vocal, and instrumental exploration.

DRAW ME A SONG:

This class is the complete sensory experience for budding artists! Children and their caretakers will be gently encouraged to explore the power of creation in both musical

and sensory-art experiences. Independence, self-expression, and creativity will grow each week as you guide your child to discover their own abilities to play instruments and make mark on the page! PCA Artist Residency program brings PCA Rostered Artist into a school or community setting for a 5 to 20 days project specific residency working with a core group of students or participants.

ARTS IN EDUCATION PARTNERSHIP THROUGH THE PA COUNCIL ON THE ARTS, ARTIST RESIDENCIES:

PCA Artist Residency program brings PCA Rostered Artist into a school or community setting for a 5 to 20 days project specific residency working with a core group of students or participants.

BOYS & GIRLS CLUB AFTERSCHOOL PROGRAMS:

Funded by Computer Aid, Inc., ArtsQuest partnered with Boys & Girls Clubs in Allentown and Easton to provide arts enrichment in their afterschool programs.

LEVITT PAVILION OUTREACH:

We formed a new partnership with SHE Lehigh Valley to facilitate a pre-show artist talk with Levitt performer Danielle Ponder. Participants had an exclusive backstage experience with Danielle before taking in her show that evening.

MUSIKFEST BACKSTAGE EXPERIENCE:

Students from Liberty and Freedom High Schools got an exclusive tour of the Wind Creek Main Stage at Musikfest and had the

opportunity to hear Black Violin perform their soundcheck before their performance on the last night of the festival. The tour also included Q&As with ArtsQuest Performing Arts & Production staff about careers in the performing arts.

MUSIKFEST POPPY PROJECT:

To celebrate the 2021 Musikfest poster featuring the work of artist Mandy Martin, we invited local schools to participate in the Musikfest Poppy Project. We received handmade paper poppies from over 500 students across the Lehigh Valley. These poppies were integrated into two poppy murals displayed during Musikfest.

CREATIVE AGING:

Teaching Artist Mark McKenna led a theater-based Creative Aging program for older adults with physical and cognitive limitations at Casa Guadalupe in Allentown. Teaching Artist Katie Heebner led a virtual art-making program with residents from Moravian Village.

HEALING ART & MUSIC PROGRAM:

ArtsQuest once again partnered with Turning Point of the Lehigh Valley offer a Healing Art & Music program for survivors of domestic abuse and their children. Turning Point is a safe place where victims of abuse and their children can find refuge. We provide services in Lehigh and Northampton counties and reach nearly 4,000 people a year through our programs and services. ArtsQuest Teaching Artist Mallory Zondag led monthly virtual art-making programs at Turning Point's group meetings.

ARTIST TALKS & STUDIO TOURS:

Features hundreds of artists annually in exhibitions at both the Banana Factory and the ArtsQuest Center. We invite the public into our galleries to engage in tours with these artists to learn more about their work and artistic journey. Additionally, the Banana Factory is the home to 30 Resident Artists using studio spaces to create original works of art. Many of the artists will provide studio tours and demonstrations during events for the public including First Fridays. These unique opportunities give visitors a behind-the-scenes look into the artist's creative process.

SUMMER CAMP:

June – August in full and half-days over eight one-week sessions for children ages 4-9. Pre-Teen and Teen Art Intensives are also available for full or half-day sessions for ages 10-18. Camp is broken down into age groups with low student to teacher ratios so that each young artist is challenged with age-appropriate techniques and materials. Our youngest camp artists, ages 4-9, rotate through four different studios in a full day to explore new mediums and techniques as they create masterpieces based on a weekly theme. Designed with the young artist in mind, Pre-Teen & Teen Intensives build foundational skills by providing exploratory workshops in a variety of artistic media. Each morning or afternoon class intensive provides an opportunity for in-depth learning and experimentation in a specific medium under the guidance of a professional teaching artist.

FIRST FRIDAY:

Local merchants, restaurants and galleries open their doors to celebrate the community.

Volunteers are the backbone of the ArtsQuest organization. Without them we would be unable to fulfill our mission of providing access to exceptional artistic, cultural and educational experiences for the community.

The ArtsQuest Foundation

A non-profit Pennsylvania corporation founded in 2002 for the purpose of supporting ArtsQuest and its thousands of artistic, cultural, and educational programs.

Through festivals such as its flagship event, Musikfest; the Banana Factory Arts Center; and the ArtsQuest Center and SteelStacks arts and cultural campus, ArtsQuest's programming reaches more than 1.9 million people annually. The organization's programs and events, approximately 50 percent of which are free to attend, have a combined economic impact of more than \$136 million annually in the region. Because ArtsQuest provides more than 1,000 free programs for the public annually, the long-term sustainability of the organization will rely on continued philanthropic support from the ArtsQuest Foundation.
