2022

ANNUAL REPORT
TO THE COMMUNITY

LETTER FROM THE PRESIDENT

While 2021 was the year we lifted from the fog of COVID and the uncertainty that the entire world faced, 2022 was indeed a record-breaking year for ArtsQuest. Our overall attendance numbers totaled 1,578,298 people, and we set a record-breaking year for both Musikfest at 1,240,000 attendees (up 10%) and Christkindmarkt, at 107,272 visitors (up 14%). We also enjoyed an increase in our Oktoberfest attendance, which came in at 40,000 visitors and our second-best year. What a difference a year makes!

ArtsQuest played a major role in the notable increase in tourism to the Lehigh Valley through both its economic (\$122,982,508) and social (\$100 million) impact. During the month of August 2022, hotel occupancy rates were at 83% occupancy and first in the region of 13 counties. Hotel room supply in Northampton County during that same month experienced a 14% increase from August 2019 and revenue per available room in Northampton County was the highest in the last four years. Both October and November 2022 also experienced occupancy increases of 81.8% and 74.3%, respectively.

When it came to media outreach, the top landing page at discoverlehighvalley.com was “Musikfest” with a 17.3% share of visits. Our media impressions garnered 5.5 billion unique views and reached 38.5 million. Publicity was valued at \$8.4 million with 5.3 thousand media placements/mentions. Our busy social media pages totaled over 417,043 subscribers and all channels increased in followers.

New festivals were added to our calendar, including Slaintè (March), Banana Factory Block Party (May), Ginvitational (June), Bike Fest (July) and an Ice Rink at SteelStacks (November - January 1, 2023). We deeply value our partnerships with so many businesses and organizations throughout the Lehigh Valley and it's with their support that we are able to present high quality programming and such that is based on inclusivity throughout the arts. Last year, we partnered with eleven organizations, including: NAACP of the Lehigh Valley, Bradbury Sullivan, Promise Neighborhoods of the Lehigh Valley, Women Veterans Empowered & Thriving (WVE&T), Movement Moves Media, Faces International, Maltas Con Leche, Mega Radio, Accessible Festivals and Tribes & Vibes.

Together, we were able to host many remarkable events including Juneteenth, Pride, One Earth ReggaeFest, Musikfest poster reveal, Sensory Friendly Inclusion Zone, Teen Takeover and Programming and Spoken Word.

In addition to partnerships on the programming level, we continued to foster relationships with a host of community-driven groups, including LINC Lehigh Valley, the Muslim Community, Hispanic Center of the Lehigh Valley, Black Leadership Churches of the Lehigh Valley, the Jewish Federation of the Lehigh Valley, Bradbury Sullivan and the Bethlehem Interfaith Group.

We are also mindful when it comes to the inclusivity of the performers themselves. Interesting statistics include:

- The Levitt Summer Concert Series, presented by Lehigh Valley Health offered a diverse array of genres and ethnicities, including 54% of artists having a BIPOC member and 52% of the artists having a female member.
- Blast Furnace Blues Festival presented by Highmark Blue Shield featured 10 performances during the festival of which 90% featured artists of color or female representation.
- Musikfest included 32% BIPOC representation (benchmark of 32%) and 46% female representation (benchmark of 36%).
- Upper Macungie Township ticketed events created a new stream of earned revenue funding which enhanced programming at both SteelStacks and Banana Factory campuses while maintaining quality programming and free offerings. These events included SangriaFest in 2022 and several future events slated for 2023.

We're proud of our accomplishments for 2022 – new partnerships and sponsorships, expanded reach into the communities that make up the Lehigh Valley, expanded programs and offerings, an increase in members that have joined the ArtsQuest family and of course, new volunteers – all of which help to make ArtsQuest what it is today. We'll continue to forge full steam ahead with exciting opportunities in 2023 and beyond! As always, stay safe, be well and thank you for your continued support.

Imagine that.
Thank you all and be well,

Kassie Hilgert,

EDUCATION IMPACT

Programs

EARLY CHILDHOOD:

ArtsQuest is committed to engaging children with the arts at an early age. Our diverse offerings in early childhood education include classes and programs in literacy, mindfulness, music and artmaking. Early childhood arts educators introduce young children to the arts through a variety of play-based experiences and activities, laying the foundation for more advanced learning, nurturing a lifelong love of the arts and providing a myriad of cognitive and developmental benefits.

ALL ACCESSible:

The Banana Factory offers a free hands-on interactive visual arts program designed for individuals with sensory sensitivities. The program includes a dedicated sensory space with a unique collection of touch art. Our on-site Music Therapist facilitates music programs using instruments that promote healing and mindfulness. Lighting, signage and textures are all designed with sensory sensitivities in mind.

RESTORATIVE HEARTS:

This program is an extension of the ALL ACCESSible program, and is a bi-weekly drop-in group with no commitment. It is led by Expressive Arts Therapy student, Hilari Stahler and promotes self-care and wellness rather than therapy.

HEROES EXHIBITION & SCHOOL PROGRAMS WITH ARTIST BART COOPER:

In 2022, we partnered with FACES International and United Way of the Greater Lehigh Valley to bring renowned artist and Lehigh Valley native, Bart Cooper back to his hometown to display his series, Heroes, in the Crayola Gallery of the Banana Factory. The mission behind this

project was to highlight Bart's incredible work, which featured 10 iconic black female heroes including Rosa Parks, Angela Davis, Harriet Tubman and Sojourner Truth. The project included a residency at his alma mater, Whitehall Copley School District, as well as field trips for hundreds of local school students that included artist talks, artmaking and tours. Many students and teachers had never visited the Banana Factory prior to seeing the Heroes exhibition. This partnership exemplified ArtsQuest's commitment to presenting artists that reflect the community that we serve.

VISITING ARTIST RESIDENCIES:

ArtsQuest has implemented 31 Visiting Residencies, a 210% increase over 2021 and

is one of 14 organizations across the state that formally partners with the Pennsylvania Council on the Arts to administer an Arts in Education (AIE) program. The PCA Artist Residency program brings a PCA Rostered Artist into a school or community setting for a five to 20 day project specific residency working with a core group of students or participants.

ARTSMART AFTERSCHOOL PROGRAMS:

These enrichment programs are interactive for elementary and middle school students. The program brings Bethlehem Area School Districts students to the Banana Factory to experience, create and appreciate the arts in a sensory-rich environment with 20 professional Teaching Artists.

TEEN TAKEOVER:

This brand-new program allows teens to explore careers in the arts through facilitated artmaking, lectures and event planning at the Banana Factory. The program culminates with exhibitions and performances curated and developed by teen participants.

CREATIVE AGING:

Teaching Artist Mark McKenna led a theater based Creative Aging program for older adults with physical and cognitive limitations at Casa Guadalupe in Allentown.

POETRY OUT LOUD:

This is a free program offered to every high school student in Pennsylvania created to encourage students to learn about the art of poetry through memorization, performance and competition. As a PCA partner, ArtsQuest leads this competition in Northampton, Lehigh, Carbon and Monroe counties.

MARKETING MUSIKFEST:

The Innovative Marketing Musikfest class, designed by Chief Programming Officer, Patrick Brogan, was offered to students from Liberty and Freedom High Schools and the Lehigh Valley Charter High School for the Arts in spring 2022. Students learned real-life marketing skills from ArtsQuest staff over the course of the semester. The program culminated at Musikfest with performances of bands that were selected by the students themselves.

PNC BACKSTAGE EXPERIENCE AT MUSIKFEST:

Students from Donegan Elementary School and their families got an exclusive tour of our main stage at Musikfest, the Wind Creek Steel Stage. They also had the opportunity to hear Olga Tañón perform her soundcheck before their performance on the last night of the festival. Olga even invited the students onto the stage to meet her! The tour also included Q&As with ArtsQuest Performing Arts & Production staff about careers in the performing arts.
