LETTER FROM THE PRESIDENT

2023 was truly a record-breaking year for ArtsQuest! Overall, our programming reached 1,719,079 people, the highest turnout ever at our arts and cultural campus. Musikfest broke its record, welcoming 1,330,000 festival goers this past year as we celebrated 40 years of the country's largest free music festival. 'Festers came from near and far including 46 states and ten countries! Our 31st annual Christkindlmarkt presented by Univest Financial, enjoyed its highest attendance as well with 117,500 visitors, an increase of almost 10 percent from 2022. Our 13th annual Oktoberfest presented by Lehigh Valley International Airport, welcomed 38,500 people who enjoyed a traditional German festival with a Pennsylvania flair.

ArtsQuest played a major role in the notable increase in tourism to the Lehigh Valley through both its economic and social impact. During the month of August 2023, hotel occupancy rates were at 72%, well above the national average of 66%. Additionally, in December 2023, hotel occupancy rates were at 64.4% – the highest in the eastern half of the Commonwealth.

When it came to media outreach, discoverlehighvalley.com reports that Musikfest was their 8th most visited page and saw a total of 109,559 pages visits. Our media impressions garnered 24 billion unique views and reached 29.2 million. Publicity was valued at \$24.8 million with 21,600 media placements/mentions. Our busy social media pages totaled 452,000 subscribers and all channels increased in followers.

Festivals and events all year long brought a multitude of diverse communities to our campus in addition to areas of the Lehigh Valley where our programming reached, including Upper Macungie Township with SangriaFest and Concerts on the Grange. From concerts at the Musikfest Café and open mic nights at Palette & Pour, to comedy programming at the Visitor Center and an abundant selection of visual arts programming at the Banana Factory for youth to our senior population, our goal of providing access to the arts for all continues on a successful path. New events like the Peoples' Ball held at the Banana Factory and annual events like Blast Furnace Blues and ReggaeFest offered a variety of fun and festive programming. During the holiday season, the campus was a winter wonderland with the Ice Rink presented by Lehigh Valley Reilly Children's Hospital, holiday movies at the Frank Banko Alehouse Cinemas, holiday themed art classes at the Banana Factory and of course, Christkindlmarkt.

We deeply value our partnerships with so many businesses and organizations throughout the Lehigh Valley and it's with their support that we can present high quality programming based on inclusivity throughout the arts. Last year, we collaborated with over 190 non-profit, arts and community partners including:

School districts and colleges across the Lehigh Valley, Accessible Festivals, Bradbury Sullivan, KidsPeace, Movement Moves Media, New Bethany Ministries, SignTasTic, Women Veterans Empowered & Thriving (WVE&T), Mega Radio, the Lesson Center and more. Together, we were able to host many remarkable events including

Juneteenth, Pride, One Earth ReggaeFest, Musikfest poster reveal, Sensory Friendly Inclusion Zones, Teen Takeover Programming and Spoken Word.

In addition to partnerships on the programming level, we continued to foster relationships with a host of community-driven groups, including Casa Guadalupe, SouthSide Arts District, Historic Bethlehem Museums and Sites, the Muslim Community, Hispanic Center of the Lehigh Valley, Black Leadership Churches of the Lehigh Valley, the Jewish Federation of the Lehigh Valley, the Bethlehem Interfaith Group and more.

When it comes to sustainability efforts, we are working diligently and with our partners to reduce our carbon footprint, not only during Musikfest, but throughout the entire ArtsQuest campus. A few highlights include:

- Through our reusable mug program, we avoided the use of 100,599 plastic cups (at all three festivals), which is equivalent to seven metric tons of carbon dioxide. These mugs can be used at any of our events. At Musikfest alone, 70% of all drafts and mixed drinks are poured into our refillable mugs.
- We recycled 54,000 pounds of cardboard across all our programs and events which avoided 77 metric tons of carbon dioxide.
- We're switching our light fixtures to LED across the SteelStacks campus.

At ArtsQuest, a key component of providing access to the arts for all is our scholarship program. While over 50% of our programming is free, it's important that our community members have the opportunity to attend any ArtsQuest program offered, regardless of their financial status. In 2023, 250 individuals received scholarships, resulting in almost \$29,000 of provided ArtsQuest funding, a 50% increase from the previous year.

We're proud of our accomplishments for 2023 – new partnerships and sponsorships, expanded reach into the communities that make up the Lehigh Valley, new programs and offerings, an increase in members that have joined the ArtsQuest family and of course, welcoming new volunteers – all of which help to make ArtsQuest what it is today. We'll continue to forge full steam ahead with exciting opportunities in 2024 and beyond!

As always, stay safe, be well and thank you for your continued support.

Kassie Hilgert, ArtsQuest President & CEO

DISCUSSION OF DEI INITIATIVES

Throughout 2023, ArtsQuest continued to embark on a diversity, equity and inclusion journey across three pillars of the non-profit organization: Staff, Boards and Committees and Programming. We continue to partner and collaborate with other organizations, as well. Our President and CEO, Kassie Hilgert encourages full and part-time employees to share their thoughts, feelings, comments and concerns about our organization, community and nation.

DEI Initiatives In Action

STAFF:

- ArtsQuest full-time and part-time staff and Volunteer Ambassadors were invited to attend this year's DEIB workshop. Afternoon and evening sessions were held to engage as many staff and Volunteer Ambassadors as possible. The interactive workshop explored and defined critical terminology including diversity, inclusion and equity while creating common understanding on items such as bias, gender, neurodiversity and mental health. The workshop improved the openness to engage while enhancing the intentionality of the inclusivity efforts of the organization. It also empowered and motivated ArtsQuest staff to engage in meaningful discussions around diversity and inclusion through interactive activities for participants.
- ArtsQuest full-time and part-time staff and Volunteer Ambassadors, took part in a Human Trafficking Awareness session on led by Northampton County D.A. Houck and a member of Homeland Security.
- In June, full-time and part-time staff and Ambassador Volunteers were invited to participate in an LGBTQ+ training session with Robin Gow of Bradbury Sullivan.
- Internally, we are developing a DEI tracking system for performing arts as well as visual arts/artist information.
- Accessibility products added in handicap restroom stalls.

GRANTS RECEIVED:

- \$4,000 for the Accessible Arts Programming from Just Born Quality Confections
- \$110,000 for Diversity Initiatives from The Neighborhood Assistance Program's Special Program Priorities (SPP)
 - Contributions by Martin Guitar, Boyle Construction and Univest Bank and Trust
- \$60,000 to support DEI, Marketing Musikfest & ArtSmart from The Jeff Hunter Charitable Trust

PROGRAMMING:

- The Levitt Pavilion SteelStacks lineup presented by Lehigh Valley Health Network, featured nearly 50 free concerts. The lineup had a diverse array of genres and ethnicities, including 54% of the artists having a BIPOC member and 52% of the artists having a female member.

Photo by Lisa Boehm

- The Blast Furnace Blues Festival presented by Highmark Blue Shield featured 10 performances during the festival. 90% of the lineup featured artists of color OR female representation.
- Meg Wolensky (she/they) is a queer Philadelphia-based professional Arts Administrator, Visual Artist and team leader with over ten years of program development and implementation experience. Their collection of oil paintings was on exhibit at the Banana Factory Hallway of Art.
- We welcomed American Idol and Queen of the Universe alumni drag queen Ada Vox to the Levitt Pavilion SteelStacks stage. This show was booked in partnership with Bradbury Sullivan LGBT Center.
- Levitt Pavilion SteelStacks collaborated with the Juneteenth Lehigh Valley organization to bring Henry &

the Reggae Rockers to the Levitt stage. Henry performed early in the day as part of the Juneteenth Lehigh Valley celebration, and we were thrilled to have the band headline Levitt.

- The LGBTQ+ Film Series is now the Lehigh Valley LGBTQ+ Film Series presented in partnership with Bradbury Sullivan. Our first screening was 80s classic Desert Hearts with a live in-person Q&A/talkback with Director Donna Deitch.
- The Frank Banko Alehouse Cinemas partnered with the Latin American & Latino Studies Program and the Film & Documentary Studies Program from Lehigh University's College of Arts and Sciences for a FREE screening of the Spanish-language Dracula from 1931.
- ¡Sabor! Latin Festival featured new artisan vendors, food vendors, sponsors and our local favorite bands as well as newcomers like Little Johnny Rivero and his Salsa Band. The festival was a collaboration with local clothing company – Te Lo Juro for ¡Sabor! SteelStacks shirts and merchandise. We continue to see ¡Sabor! grow as a pillar in the Latin community and look forward to new, future partnerships.

- The return of our 2nd annual One Earth ReggaeFest in partnership with Movement Moves Media presented by Promise Neighborhoods of the Lehigh Valley was a great success and engaged with new audiences throughout the Lehigh Valley and beyond! Attendance figures of 6,000 were up from 2022's attendance of 3,000.
- Movement Moves Media and Cruz Control Entertainment partnered with ArtsQuest to present a Hip Hop showcase on the Highmark Community Stage. The entirely free event was a precursor to their 50th Anniversary of Hip Hop Award Ceremony.
- SteelStacks hosted its first Christian Rock Day, a genre that has not been presented often in recent years.

PARTNERSHIPS & COLLABORATIONS:

A new partnership with FCI-The Language Experts resulted in press releases and additional information translated to Spanish and dispersed to media, board and committee members and staff.

MOM-n-PA, a free dental clinic mission took place in Allentown's Agri-plex. Thousands of patients received entirely free, no insurance, no strings attached dental work. Thanks to the Levitt Board of Directors own, Dr. Cuong Tran, for volunteering his services and suggesting the partnership for Levitt Pop-Up. While patients spent time in the waiting room, Levitt Pavilion SteelStacks provided free music by Pentley Holmes and Seth Witcher. Just a reminder that the Levitt Pavilion not only supports the shows being presented, but the community impact we can all create together.

EDUCATION IMPACT

Programs

EARLY CHILDHOOD:

ArtsQuest is committed to engaging children with the arts at an early age. Our diverse offerings in early childhood education include classes and programs in literacy, mindfulness, music and artmaking. Early childhood arts educators introduce young children to the arts through a variety of play-based experiences and activities, all while laying the foundation for more advanced learning, nurturing a lifelong love of the arts and providing myriad cognitive and developmental benefits.

LITERACY: TODDLER STORYTIME:

A free weekly program in partnership with the Bethlehem Area Public Library that encourages caregivers and their children to share stories and explore art. This program is offered in the Banana Factory galleries and combines early literacy skill development with visual literacy by connecting words with art and picture books. The program also incorporates song, movement and art-making.

- Over 1,000 individuals participated in Toddler Storytime in 2023.

MUSIC & ART

YOU & ME MUSIC:

In You & Me Early Childhood Music classes, children ages 6 months through 5 years are encouraged to expand their natural strengths and confidence while developing new skills through music making. Each class is led by a Board-Certified Music Therapist who uses live music to gently encourage the development of social, emotional and communication skills. The classes create a fun, musical environment that nurtures each child's creativity and artistic potential through movement, vocal and instrumental exploration.

- Over 50 individuals participated in You & Me in 2023.

EARLY CHILDHOOD PROGRAM

PARTNERS:

- Bethlehem Area Public Library
- Lehigh Valley Children's Center
- New Bethany Ministries
- CAI Learning Academy
- Little Reflections at Center Valley

SCHOOL PROGRAMS:

The number of students, educators and families in our school programs grew by 36% from 2022 to 2023. Programs include afterschool art enrichment, workshops and visiting artist residencies.

- Over 5,890 individuals participated in ArtsQuest school programs in 2023.

ARTSMART AFTERSCHOOL PROGRAMS:

These interactive, enrichment programs are for elementary and middle school students. The program brings Bethlehem Area School Districts students to the Banana Factory to experience, create and appreciate the arts in a sensory-rich environment with 20 professional Teaching Artists.

TEEN TAKEOVER:

This brand-new program allows teens to explore careers in the arts through facilitated artmaking, lectures and event planning at the Banana Factory. The program culminates with exhibitions and performances curated and developed by teen participants.

POETRY OUT LOUD:

This is a free program offered to every high school student in Pennsylvania created to encourage students to learn about great poetry through memorization, performance and competition. As Pennsylvania Council on the Arts (PCA) partner, ArtsQuest leads this competition in Northampton, Lehigh, Carbon and Monroe counties.

MARKETING MUSIKFEST:

The Innovative Marketing Musikfest class, designed by Chief Programming Officer Patrick Brogan, was offered to students from Liberty and Freedom High Schools and the Lehigh Valley Charter High School for the Arts in spring 2022. Students learned real-life marketing skills from ArtsQuest staff over the course of the semester. The program culminated at Musikfest with performances of bands that were selected by the students themselves.

ALL ACCESSIBLE:

A free hands-on interactive visual arts program designed for individuals with sensory sensitivities currently offered at the Banana Factory. The program includes a dedicated sensory space with a unique collection of touch art. Our on-site Music Therapist facilitates music programs using instruments that promote healing and mindfulness. Lighting, signage and textures are all designed with sensory sensitivities in mind.

RESTORATIVE HEARTS:

This program is an extension of the ALL ACCESSible program. The program is a bi-weekly drop-in group with no commitment. It is led by Expressive Arts Therapy student, Hilari Stahler and it promotes self-care and wellness rather than therapy.

VISITING ARTIST RESIDENCIES:

ArtsQuest implemented 20 Visiting Artist Residencies in 2023. We are one of 14 organizations across the state that formally partners with the Pennsylvania Council on the Arts to administer an Arts in Education (AIE) program. As a partner, we leverage funds provided by the Commonwealth to support in-depth arts experiences for youth and adults within four counties: Carbon, Lehigh, Monroe and Northampton. Residencies in 2023 included murals, theater arts, creative aging, early childhood learning and fashion design with:

- Allentown School District
- Bethlehem Area School District
- Lehigh Valley Children's Center
- Lehigh County Adult & Aging Services
- Touchstone Theater
- Lehigh Valley International Airport (ABE)
- PA Turnpike Commission

CREATIVE AGING:

Teaching Artist Mark McKenna led a theater based Creative Aging program for older adults with physical and cognitive limitations at Casa Guadalupe in Allentown.

OUTREACH EVENTS:

Our Education team and Teaching Artists tabled at 30 events in 2023 facilitating art-making and talking to the community about ArtsQuest's education and outreach programs. This is a 173% increase over 2022.

MURAL AT LEHIGH VALLEY INTERNATIONAL AIRPORT (ABE):

ArtsQuest, in partnership with the Pennsylvania Council on the Arts (PCA) and the ABE Airport, facilitated a community mural with local PA Council on the Arts Teaching Artist and Muralist, Matt Halm along with students from a one-week "Public Art Intensive" session held at the Banana Factory summer camp program. Additionally, Halm worked with the ABE staff to incorporate their ideas into his design. Campers, alongside staff from ArtsQuest and ABE participated in a "paint day" at the airport.

ART SPARKS MURAL AT THE PA TURNPIKE WITH EMMAUS AND BUILDING 21 HIGH SCHOOLS:

ArtsQuest partnered with The Pennsylvania Turnpike Commission (PTC) and Pennsylvania Council on the Arts (PCA) to facilitate a mural designed and created by art students at Emmaus High School and Building 21 High School. Working under the guidance of PCA Rostered Teaching Artist and Muralist Matt Halm, Allentown School District art teachers Jim Novak, Melissa Rouston and George Nonnemacher and Emmaus High School art teacher Katie Pfenninger, students designed and created a mural representing historical and well-known points of interest in the Lehigh Valley. The painted artwork depicts items that were selected by the students based

on community, historic or aesthetic merit. Students completed in-depth research about their selected art topics, which serve as the subject matter for the entire piece. The students' artwork will be permanently on display at the Allentown Service Plaza.
