**ANNUAL REPORT TO
THE COMMUNITY**

2024

LETTER FROM THE PRESIDENT

While 2024 will be remembered as a year of record-breaking attendance at many of our festivals and events, it was also a transformational time for ArtsQuest – one where we humbly declared, ‘the future is now.’

Festivals, Events and Programming

Covering more than 50 acres within the Historic Moravian District and the SouthSide Arts District, Musikfest celebrated its 41st year, welcoming 1,020,000 attendees from 48+ states and ten countries. Four hundred and twenty-two musicians performed on 16 stages and locally, over 165 musicians represented the greater Lehigh Valley.

Despite Mother Nature’s plans for delivering liquid sunshine along with remnants of Hurricane Debbie, we still set records with 54,786 headliner concert tickets sold (an 8% increase from the previous 2011 record) and four sold-out shows (Greta Van Fleet, Shinedown, Old Dominion and Ludacris). Gratefully, we finished the festival on a positive note with the best weather of the summer.

We broke attendance records at the 14th annual Oktoberfest presented by Lehigh Valley International Airport (ABE), welcoming 48,000 attendees during the two-weekend festival, an increase from 38,500 visitors in 2023. New programming like the Bratwurst Toss, the Human Foosball Tournament and the Yuengling Beer Dinner were big hits along with crowd favorites like the Wiener dog races and official Steinholding competitions.

The 32nd annual Christkindlmarkt presented by Univest Financial also broke records this year with 128,384 visitors from 40 states, Canada and Puerto Rico. 180 vendors, crafters and artisans represented 12 states and one country, Scotland, and Free Fridays remained a hit with 17,501 visitors walking through the doors. There were countless unique gifts, traditional German faire, visits with St. Nick, Glass Blowing Experiences and more, including a new Sip n’ Shop experience. The entire campus was decked out for the holidays with the Ice Rink at SteelStacks presented by Lehigh Valley Health Network Reilly Children’s Hospital, holiday movies at the Frank Banko Alehouse Cinemas and creative winter themed visual arts classes.

Dynamic festivals, concerts, events, comedy and visual arts programming took place throughout the entire year, both indoors and outdoors. The Levitt Pavilion SteelStacks presented by Lehigh Valley Health Network part of Jefferson Health lawn was hopping with almost 50 free concerts every Thursday through Sunday evening from May to September and the Levitt Pavilion SteelStacks

Free Family Movie Series presented by Lehigh Valley International Airport (ABE) on Wednesdays nights attracted families from the Lehigh Valley and beyond.

Metrics

ArtsQuest once again played a major role in the notable increase in tourism to the Lehigh Valley through both its economic (\$143,358,436) and social (\$100 million) impact. Throughout 2024, we offered more than 4,500 events, festivals, classes, performances and workshops, of which nearly 40% were free for the community to attend. During August 2024, hotel occupancy rates were 72.8%, well above the national average of 67%. Additionally, in December 2024, hotel occupancy rates were 58.8%, while the national average was 53%.

Our PR and social media efforts resulted in substantial increases across the board with 6,600 media mentions in 2024, reaching 16.6 million people (a 30% increase from last year) and 15.2 billion unique visitors per month (UVPM). Social media reported 491,231 subscribers across all channels with notable increased followers in every medium (Facebook, Instagram, LinkedIn and X).

Re-Imagine That! Capital Campaign

ArtsQuest’s programming reaches more than 1.9 million people (about twice the population of South Dakota) annually, of which 40 percent is free to attend, with a combined average economic impact of more than \$143 million annually in the region. As our attendance continues to increase, so has our need for space. The Re-Imagine That! Capital Campaign was a major focus for 2024 and will continue into the foreseeable future as we move forward on two major construction developments: The ArtsQuest Creative Factory powered by PPL and the Lehigh Valley Health Network (LVHN) part of Jefferson Health Turn & Grind Shop.

The Banana Factory, a six-building structure that has been home to ArtsQuest since 1998 and our first brick and mortar building, officially closed in December, making way for a new state-of-the-art cultural center, officially named the ArtsQuest Creative Factory powered by PPL, slated to open in 2026 or 2027. After two decades of continued and rapid growth (over 125% over the last five years), this much-loved complex had fallen into disrepair (with over \$1.4 million in deferred maintenance and annual expenses) and was completely out of space to provide expanded and new programming for the community. The ArtsQuest Creative Factory powered by PPL will be the essential home to visual arts and education programming and partnerships, increasing student involvement alone from 5,000 to 10,000.

LETTER FROM THE PRESIDENT

Additionally, opportunities for partnerships through donors, businesses and other organizations have resulted in a positive and compelling need for building a new and inviting space that the entire community can enjoy. The ArtsQuest Creative Factory powered by PPL will attract new and emerging artists on a more regional level as well as the opportunity to host art exhibitions that otherwise would not be able to take place here. Much needed added classroom space will allow for more arts-based programming and camps – a need that in today’s world is quickly evaporating. Multiple studies show that students of all ages do better academically, emotionally and socially with art incorporated into their daily lives. Partnerships with the Bethlehem Area School District and C.F. Martin & Co. will play a major role in student educational development with a media lab and recording studio. Additional partners and updates can be found at reimaginethat.artsquest.org.

Since 2019, we have held over 20 meetings throughout the community to educate the public on the need for a new creative factory and to solicit feedback on design and programming. These informational sessions were (and continue to be) presented to the public and include students and families, ArtsQuest Members and volunteers, donors, local businesses, resident artists, arts administrators, the SouthSide Task Force, higher education organizations and teaching artists.

Bethlehem’s UNESCO designation calls for thoughtful cultural investments that embrace both history and forward-thinking development. The ArtsQuest Creative Factory powered by PPL represents a progressive approach to cultural and education programming, ensuring our impact thrives for generations to come.

This past November, ArtsQuest celebrated another milestone in the Re-Imagine That! Capital Campaign with the announcement and naming of the Lehigh Valley Health Network part of Jefferson Health Turn & Grind Shop, along with the Bethlehem Visitor Center presented by Lehigh Valley Health Network part of Jefferson Health and the already named Levitt Pavilion SteelStacks presented by Lehigh Valley Health Network part of Jefferson Health. All solidify a dedicated, long-term commitment and partnership between both organizations spanning over 23 years.

The Turn & Grind Shop, a 150-year-old building that was once a key part of the steel-making process at the Bethlehem Steel Corporation, will undergo extensive renovations prior to its expected grand opening in 2027. It will expand the footprint for ArtsQuest

programming such as Musikfest, Christkindlmarkt and Oktoberfest and provide unique and much-needed event space for private and corporate needs as well as an additional home for traveling arts, cultural and educational exhibits. The new Lehigh Valley Health Network part of Jefferson Health Turn & Grind Shop renovation and partnership is another exciting expansion of ArtsQuest’s mission and plays a pivotal role, making an economic and social impact for years to come.

We’re proud of all we have accomplished in 2024 – new partnerships and sponsorships, expanded visual arts and education programming, opportunities to reach more communities throughout the Lehigh Valley and beyond, welcoming new members and volunteers and a new giving program, the Jeff Parks Founders Society, that honors ArtsQuest and Musikfest founder, Jeff Parks.

I’m excited to share our 2024 Annual Report and look forward to a year filled with fresh opportunities, new spaces and expanded relationships as we collaborate to bring the arts and all its forms to the forefront of our communities across the region.

As always, stay safe, be well and thank you for your continued support.

EDUCATION IMPACT

Early Childhood Programming

According to Americans for the Arts, early childhood arts education significantly impacts children's development by fostering creativity, self-expression, cognitive skills and emotional well-being, leading to improved academic performance, increased engagement in learning and a greater likelihood of being recognized for academic achievement; essentially, providing a well-rounded education through artistic exploration.

ArtsQuest is committed to engaging children with the arts at an early age. Our dynamic offerings in early childhood education range include literacy, mindfulness, music and artmaking. Early childhood arts educators introduce young children to the arts through a variety of play-based experiences and activities, in the process laying the foundation for more advanced learning, nurturing a lifelong love of the arts and providing a myriad of cognitive and developmental benefits. Programs include Toddler Storytime, Little Artists' Workshops and workshops with Lehigh Valley Children's Center.

Literacy: Toddler Storytime

A free weekly program in partnership with the Bethlehem Area Public Library that encourages caregivers and their children to share stories and explore art. This program was offered in the Banana Factory galleries and combines early literacy skill development with visual literacy by connecting words with art and picture books. The program also incorporates song, movement and artmaking.

NEW! Little Artists' Workshop

Led by ArtsQuest's Art Therapy Intern from Cedar Crest College, this free program invites children ages 2-6 and their adults to participate in artmaking. This program took place at The Banana Factory where participants were encouraged to explore the art galleries and artist studios following the workshop to further engage with the arts.

Outreach Events

Our Education team and Teaching Artists tabled at 26 events in 2024 facilitating art-making and talking to the community about ArtsQuest's education and outreach programs.

HIGHLIGHTS!

Mural at Lehigh Valley International Airport (ABE) Part 2!

ArtsQuest continued its partnership with the Pennsylvania Council on the Arts (PCA) and the ABE Airport to further complete a community mural with local PA Council on the Arts Teaching Artist and Muralist, Matt Halm along with students from a one-week "Public Art Intensive" session held at the Banana Factory summer camp program. This was the second part of the mural, which began in 2023. Additionally, Halm worked with the ABE staff to incorporate their ideas into his design. Campers alongside staff from ArtsQuest and ABE participated in a "paint day" at the airport. Phase three of the mural will take place in 2025.

Mural with Moravian University, CITYarts, and Bethlehem Area School District

ArtsQuest collaborated with Moravian University, Bethlehem Area School District and CITYarts, a global nonprofit organization based in New York City, to create a colorful mural symbolizing peace at Bernie Fritz Park. The Bethlehem Peace Wall was unveiled during a special ceremony on September 7, 2024 as part of CITYarts' 50 States of Peace, an initiative to bring young people from across the country into a dialogue with each other through the creation of art reflecting their visions of peace. PCA Artist Rostered Teaching Artist Matt Halm worked with students from Bethlehem Area School District to design and paint the mural. Over 280 individuals participated in The Peace Mural.

Lehigh County Adult & Aging Services: Visiting Artist Residency with Ceramicist Ellen Jamiolkowski

ArtsQuest facilitated a unique Creative Aging Visiting Artist Residency with Lehigh County Adult & Aging Services, a long term living facility. PCA Rostered Teaching Artist Ellen Jamiolkowski worked with older adults from seven LCAA sites who expressed interest in creating art for their rooms as well as in the communal room at their facility. The groups met one day a week for 90 minutes for 10 weeks each. Participants created unique ceramic works of art. The residency culminated with a display and celebration of art works created during the "Grandparent's Day" event held at the facility each year.

- Over 100 older adults participated in the residency.

ARTSQUEST VOLUNTEERISM

Volunteerism By the Numbers

ArtsQuest is incredibly grateful for our dedicated volunteers whose hard work and passion make our events possible. Without their selfless contributions, we simply wouldn't be able to bring our vibrant community together and create the memorable experiences that define our programming. Their commitment is the heart of everything we do, and we can't thank them enough.

THE ARTSQUEST FOUNDATION

The ArtsQuest Foundation is a granting organization with one key objective in mind; to support ArtsQuest and assure its arts, education and cultural programming is here for generations to come.

The Foundation supports ArtsQuest through an annual grant which is determined by its Board of Trustees.

The annual grant amount is based off the Foundation's current endowment funds. The Foundation strives to grow its endowments so that it can increase its annual and ongoing support of ArtsQuest.

Because ArtsQuest provides more than 1,000 free programs for the public annually, the long-term sustainability of the organization will rely on continued philanthropic support from the ArtsQuest Foundation.

Selena Lavonier

Executive Director, ArtsQuest Foundation
610-332-1345 | slavonier@artsquest.org

This year, the Foundation created a new giving program, The Jeff Parks Founders Society! The Jeff Parks Society provides the opportunity to tie supporters' legacy with that of ArtsQuest and the ArtsQuest Foundation while honoring ArtsQuest Founder, Jeffrey Parks and providing a permanent home for the Musikfest Poster on the exterior of the ArtsQuest Center.
