## ANNUAL REPORT TO THE COMMUNITY 2025

# LETTER FROM THE PRESIDENT & CEO

**A**s we reflect on 2025, I am filled with both gratitude and pride for what ArtsQuest has accomplished alongside our community, partners, artists and supporters. What began more than four decades ago--as a bold belief that arts and culture can power economic growth, strengthen community and elevate quality of life--has grown into measurable, record-setting results across the Lehigh Valley.

## **Economic & Community Impact**

In 2025, ArtsQuest generated a record \$192.7 million in economic impact for the region – a 34% year-over-year increase – while supporting more than 1,500 full-time equivalent jobs across events, production, retail, hospitality and the creative economy. These numbers reflect something even bigger than attendance figures or visitor spending; they represent a community that continues to believe in the value of arts and culture as a catalyst for growth.

Over the last 16 years, ArtsQuest's impact has grown from \$35.8 million in 2010 to more than \$192 million today. Together with our public and private partners, we have helped transform Bethlehem's former industrial landscape into a thriving cultural campus – one that draws visitors from across the globe, supports local businesses and attracts new merchants, and creates a vibrant place to live, work and gather.

## **Festivals, Events and Programming**

Our signature festivals once again brought people together in record numbers. With the blessing of Mother Nature, Musikfest smashed records, welcoming 1,449,000 attendees across more than 500 free performances on 16 stages. Held under sunny and clear skies for 10 days and 11 nights, the festival generated more than \$121 million in regional economic impact and has continued to evolve as a celebration of global music, comedy, culture and community. Thirty percent of the performers hailed from the Lehigh Valley, with the remaining performers representing 25 states and 6 countries.

Visitors from more than 49 states, Washington, DC, Puerto Rico and 7 countries including Canada, Colombia, Great Britain, Italy, Mexico, the Netherlands and South Africa converged across 50+ acres of Bethlehem's Historic Moravian District and SouthSide Arts District to enjoy a wide variety of music in every genre, 45 food vendors, 40 artisans and 10 unique retailers, family activities and endless fun in the sun. The festival also broke records for headliners, selling 60,800 headliner tickets total with four headliner acts sold out (Megan Moroney, Riley Green, Darius Rucker and Jordan Davis) and eight headliner acts sold over 5,000 tickets. Sponsored by 171 businesses and organizations, including 16 new partners, this year's event also featured 14 exciting activations through the festival grounds that engaged attendees with unique experiences and brand collaborations.

During the holiday season, Christkindlmarkt presented by Univest Financial reached new heights, drawing 145,552 visitors – a 14% year-over-year increase – from across the U.S., Germany

and Scotland over six weekends. The debut of Winter Wonderland presented by Lehigh Valley Health Network, part of Jefferson Health expanded the 33rd annual festival into an immersive holiday village that created unforgettable experiences for visitors and ushered in the holiday season.

This year's festivities included more themed locations to cultivate the traditional German Christmas market atmosphere, sold-out heated igloos, 42 new vendors, artisans and crafters, new family-friendly attractions and the introduction of a performance stage featuring 75 live performances from 12 local schools, instrumental ensembles and caroling groups. New activities included a sold-out Breakfast with Bluey and Bingo, a holiday speed dating experience and holiday pop-up market while returning favorites Breakfast with St. Nick and ArtsQuest Glass Studio's Glass Blowing Experience were huge hits with families once again.

And in its 15th year, Oktoberfest presented by Lehigh Valley International Airport welcomed 48,000 guests over two weekends, blending new interactive programming with beloved German traditions that continue to grow year after year. Patrons of all ages enjoyed traditional German cuisine, four biergartens with 38 varieties of lagers, ales, IPAs and more for the 21+ crowd to enjoy, with games including Kong Pong presented by D.G. Yuengling & Sons, the first ever Fliplehem: Oktoberfest Flip Cup Competition presented by D.G. Yuengling & Sons and the Karl Ehmer Bratwurst Eating Competition, live traditional and rock music and more.

Beyond our festivals, ArtsQuest delivered nearly 4,000 events, classes, performances and workshops throughout the year – with nearly one-third offered free to the community – ensuring access, creativity and connection remained at the heart of everything we do.

## **Re-Imagine That! Capital Campaign**

2025 was a milestone year for the Re-Imagine That! Capital Campaign. We proudly broke ground and celebrated the beam signing for the ArtsQuest Creative Factory powered by PPL, with partners Boyle Construction and MKSD Architects, local and state officials and other community partners in attendance for the milestones. Constructed on the grounds of the former Banana Factory, this state-of-the-art facility will become the new home for visual arts, education programming, artist studios and creative partnerships, doubling student participation and expanding opportunities for learners of all ages in the SouthSide Arts District. The Creative Factory is slated for a soft opening in the fourth quarter of 2026 with a grand opening in the first quarter of 2027.

We also continued progress on the redevelopment of the Lehigh Valley Health Network (LVHN), part of Jefferson Health Turn & Grind Shop on the SteelStacks campus. Once open, this 155-year old Bethlehem Steel building will expand ArtsQuest's festival footprint, introduce new exhibition and event venues, and

# LETTER FROM THE PRESIDENT & CEO

preserve Bethlehem's industrial heritage while supporting long-term tourism and economic vitality.

As we look ahead, the momentum from 2025 for the Capital Campaign continues to inspire us. With the Creative Factory nearing completion and the brick breaking for the Turn & Grind Shop on the horizon, ArtsQuest is poised to expand creativity, education and community connection for generations to come.

With the Creative Factory and the Turn & Grind Shop joining the ArtsQuest Center, ArtsQuest will have raised and financed more than \$76 million in permanent arts and cultural spaces since 2011. This remarkable investment reflects not only bricks and mortar, but the enduring belief in the power of the arts to transform a community. It is a testament to the vibrancy of the SouthSide Arts District and to the partners, supporters and neighbors who continue to champion a bold vision for Bethlehem's future.

## Metrics

ArtsQuest's reach and influence continued to grow in 2025, reinforcing the organization's role as both a cultural cornerstone and a major economic driver for the Lehigh Valley. Building on the record-setting regional economic impact highlighted earlier in this report, ArtsQuest generated more than \$192 million in direct tourism and program-related economic activity, alongside an estimated \$100 million in social impact across the community and over 2 million visitors for the year.

Throughout the year, ArtsQuest delivered nearly 4,000 events, festivals, classes, performances and workshops – with 32% offered free and open to the public – ensuring broad access while fueling consistent visitor engagement and regional spending.

ArtsQuest's programming also contributed to strong tourism performance, with hotel occupancy rates reaching 73.1% in August 2025, well above the national average of 66.1%, and 68.6% in November 2025 compared to a national average of 57.9%.

Communications and digital engagement saw substantial growth across platforms in 2025, with 5,769 media mentions reaching 30.9 billion people – a 54.5% year-over-year increase – and 20.2 billion unique visitors per month (UVPM). ArtsQuest's social media community expanded to 512,596 subscribers, reflecting a 17% increase across our channels on Facebook, Instagram, LinkedIn and X.

## New Collaborations and Partnerships

This year also brought exciting new collaborations that reflect both our regional pride and our future vision. Our partnership with the Lehigh Valley IronPigs to celebrate America's 250th anniversary with a special edition logo connected arts, sports and history through shared community experiences.

We also extended ArtsQuest's presence in Allentown with the announcement of new artist studios coming soon at 930 Hamilton Street and expanded programming beyond Union Terrace concerts in the summer-- bringing creative opportunities directly into new neighborhoods and strengthening access across the Lehigh Valley.

## Digital Growth & Community Access

In 2025, ArtsQuest also launched a brand new ArtsQuest.org--a modern, user-friendly platform designed to make it easier than ever for the community to discover events, engage with programming, support our mission and connect with all that is happening across our campus and throughout the Lehigh Valley.

The redesigned website reflects ArtsQuest's continued growth and evolution, improving accessibility, storytelling and navigation while creating a more seamless experience for visitors, artists, students and supporters alike. As ArtsQuest expands its physical footprint, our digital presence now matches the scale, creativity and impact of our organization.

As I share our 2025 Annual Report, I am excited not only by what we accomplished this year, but by what lies ahead in 2026 and beyond as we continue to expand creative access, invest in education, workforce development and hospitality, and grow as a national model for arts-driven community revitalization. With new spaces coming online and deeper partnerships taking shape, we are building a future where the arts remain central to economic vitality, cultural connection and opportunity for all.

Thank you for being part of this journey and for helping ArtsQuest continue to transform our region through the power of the arts.

# EDUCATION IMPACT

## Early Childhood Programming

According to Americans for the Arts, early childhood arts education significantly impacts children's development by fostering creativity, self-expression, cognitive skills, and emotional well-being, leading to improved academic performance, increased engagement in learning, and a greater likelihood of being recognized for academic achievement; essentially, providing a well-rounded education through artistic exploration.

ArtsQuest is committed to engaging children with the arts at an early age. Our dynamic offerings in early childhood education range include literacy, mindfulness, music and artmaking. Early childhood arts educators introduce young children to the arts through a variety of play-based experiences and activities, in the process laying the foundation for more advanced learning, nurturing a lifelong love of the arts and providing myriad cognitive and developmental benefits. Programs include Toddler Storytime, Little Artists' Workshops and workshops with our community partners.

### Literacy: Toddler Storytime

A free weekly program in partnership with the Bethlehem Area Public Library that encourages caregivers and their children to share stories and explore art. This program was offered on the SteelStacks campus in 2025. Storytime combines early literacy skill development with visual literacy by connecting words with art and picture books. The program also incorporates song, movement and artmaking.

### Little Artists' Workshop

Led by ArtsQuest's Art Therapy Intern from Cedar Crest College, this free program invites children ages 2-6 and their adults to participate in artmaking.

# ARTSQUEST VOLUNTEERISM

## Volunteerism By the Numbers

ArtsQuest is incredibly grateful for our dedicated volunteers whose hard work and passion make our events possible. Without their selfless contributions, we simply wouldn't be able to bring our vibrant community together and create the memorable experiences that define our programming. Their commitment is the heart of everything we do, and we can't thank them enough.

## THE ARTSQUEST FOUNDATION

The ArtsQuest Foundation is a granting organization with one key objective in mind; to support ArtsQuest and assure its arts, education and cultural programming is here for generations to come.

The Foundation supports ArtsQuest through an annual grant which is determined by its Board of Trustees.

The annual grant amount is based off the Foundation's current endowment funds. The Foundation strives to grow its endowments so that it can increase its annual and ongoing support of ArtsQuest.

Because ArtsQuest provides more than 1,750 free programs and approximately 2,800 ticketed events for the public annually, the long-term sustainability of the organization will rely on continued philanthropic support from the ArtsQuest Foundation.

The Jeff Parks Founders Society, created in 2024, provides the opportunity to tie supporters' legacy with that of ArtsQuest and the ArtsQuest Foundation while honoring ArtsQuest Founder, Jeffrey Parks and providing a permanent home for the Musikfest Poster on the exterior of the ArtsQuest Center.

To become a part of ArtsQuest's legacy or to learn more about the ArtsQuest Foundation, please contact:
