## How To Redeem Your Rewards

Milestone levels are calculated at least once quarterly. You will receive an email once you reach a milestone level with instructions on how to redeem the reward. (Please note, we aim to fulfill all reward requests, but there may be times when tickets will not be available due to contractual obligations with the artist or performer.) All rewards involving glass blowing have been put on hold until further notice due to the closure of the Banana Factory.

Thank you for all you do!
